About Us

Kreate Info is a leading U.S. company dedicated exclusively to providing pre-press content, editorial production, and digital conversion services for publishers of books, journals, textbooks, and white papers. Unlike traditional printers, we focus solely on efficiently managing your projects from manuscript to finalized print-ready and digital formats. Our services encompass editorial refinement, layout design, and digital conversion, ensuring superior quality throughout the pre-press production process. We prioritize meticulous attention to detail to uphold the highest standards of quality in every project we handle.

We offer cost-effective solutions that support the growth of your publishing efforts. Our services are designed to meet your specific needs, guaranteeing precise and thorough project management from start to finish. Whether you require comprehensive editorial and composition services, digital conversion expertise, or specialized design and layout support, we provide the skills and resources necessary to fulfill your project requirements.
